

**Trackman® paver track meets the toughest application requirements in the world. Yours.**

That's because we engineer paver track that measures up to the exact demands of the world's leading equipment manufacturers, as well as your expectations.

## Trackman®

*Aftermarket Paver Track  
for Volvo, Blaw-Knox,  
Ingersoll Rand, VÖGELE,  
Roadtec, Cedarapids and CAT*

### **Constructed for Longer Life**

*Increased wheel path gauge (+33%) for enhanced wheel path durability.*

*Patented cable construction assures optimal rubber penetration*

*Advanced wire-ply design helps eliminate wire migration.*

*Increased wire-ply end count increases lateral track stiffness, guide lug durability and improves track retention.*

### **Built Better to Perform**

*Patented TZ track design is recognized as the industry standard, delivering the smoothest ride and improved paving quality.*

*Continuous, full thickness edge substantially reduces edge damage, the leading cause of premature track removal.*

*Chamfered edges minimize surface disruptions when turning on roadbeds and fresh asphalt.*
